THE PERFECT GIFT for yourself and your family or for someone whose love of our area of Virginia matches your own. The Davis Gray Central Virginia Series is a limited edition which will increase in value as the years go by — the same way your savings grow at friendly First Federal! Like the Currier & Ives prints of 100 years ago, no two are exactly alike. Once the initial supply is depleted, the lithographic plates will be destroyed and no further prints will be made. A certification will be issued stating the exact number of prints of each scene in existence.
